

Donor programme partner for CZ11

Andrej M Grjibovski

Senior Advisor, Professor
EEA Grants / Norway Grants PM

Prague, 21 August 2013

NIPH is a Donor Programme Partner for the Public Health Initiatives program in

- Czech Republic
- Estonia
- Hungary
- Portugal
- Slovenia

Public Health Initiatives program

- Main aims of the program:
 - Better health of the population
 - Reduced health inequalities
 - Improved bilateral relations between the Czech Republic and Norway

Main roles as a DPP

- Phase I (preparation phase, before the MoU has entered into force)
 - Advise the donors on feasibility and evt. donor partnership programmes in specific beneficiary states
 - Assess potential programme partners
 - Clarify to what extent the institution might add value to the proposed focus of the programme areas

Main roles as a DPP

- Phase II (Programme development stage, between confirmation of the institution as a DPP, but before the programme has been approved by the donors)
 - Advise the Programme Operator on the development of the Programme Proposal
 - Advise on identifying the modalities for the programme cooperation

Main roles as a DPP

- Phase III (Programme implementation phase after the programme has been approved by the donors)
 - Implement the agreed cooperation set forth in the approved programme

The purpose of the partnership at the programme level is to facilitate:

- Networking
- Professional exchange
- Sharing and transfer of knowledge and experience
- Sharing of good practices

between public entities in the Donor and Beneficiary States

It is expected that BOTH SIDES get new insight and experience through cooperation

Specific tasks of the DPP

- Advising the PO on
 - Problem definition
 - Expected outcomes and target groups
 - Indicators and baselines
 - Possibility for pre-defined projects
 - Procedures for open calls
 - Selection criteria
 - Budget, risk management and communication

Specific tasks of the DPP

- Advising on possible pre-defined projects to be included in the programme proposal
- Facilitate networking between the PO and potential project project partners in Norway
- Advisig on possible activities within the programme to strengthen bilateral relations

Specific tasks of the DPP

- Participation in the Cooperation Committee
 - Advising on selection criteria
 - Advising on possible project partners in Norway
 - Reviewing progress made towards achieving the outcomes and objectives
 - Examining the results of the implementation of the programme
 - Reviewing the annual programme reports
 - Advising the PO on any revision of the programme's expected outcomes

Specific tasks of the DPP

- Contributing to exchange of experience and capacity building
- Facilitating study tours to Norway, technical seminars etc included in the programme
- Participating in the follow up of the communication plan of the programme
- Participating in the meetings of the selection committee in either advisory capacity or as a full member

Concluding remarks

- NIPH is happy to be your DPP for the Public Health Initiatives program
- We have enjoyed cooperation with the Czech Republic at the phase of preparation of the program proposal. It was an important learning process for us.
- We are looking forward to continue working with you to reach the aims of the program and further improve relations between the Czech Republic and Norway

Thank you for your attention
