

Annex 1

Eligible programme areas

Norwegian Financial Mechanism 2009-2014

The overall objectives of the Norwegian Financial Mechanism 2009-2014 are to contribute to the reduction of economic and social disparities in the European Economic Area through financial contributions in the priority sectors listed below, and to strengthen bilateral relations between Norway and the Beneficiary States.

For each **Priority sector**, Programme areas are identified (see table below). In the Regulation the Programme area is defined as a thematic field within a priority sector, with a specific objective and specific measurable outcomes.

For each **Programme area**, one objective and several expected outcomes are defined. This definition of objectives is intended to increase the impact and focus of the Mechanism as well as facilitating the measurement and aggregation of results both within and across sectors and Beneficiary States.

Each programme must be in accordance with these objectives and expected outcomes.
